\*1: "-" mark in the "Number of Radiation Workers" column shows that there is no female personnel engaged in radiation work.

\*2: All radiation workers at the Nuclear Professional School, Graduate School of Engineering, the University of Tokyo are deducted from the subtotal since they are persons engaged in radiation work at the both reactor and nuclear fuel using facilities.

\*3: All radiation workers at the nuclear fuel using facility of the Research Reactor Institute, Kyoto University are deducted from the subtotal since they are also personnel engaged in radiation work of the reactor facility.
