(Remark) The amount of generated drums at Japan Atomic Power Company Co., Ltd Tokai Power Station and Tokai Daini Power Station does not correspond to the stored amount because drums are transported from Tokai Power Station to Tokai Daini Power Station. (After February, 1978)

*1 This is the amount, which is transported to Japan Atomic Power Company Co., Ltd for treatment on commission.

*2 The generated amount in this year does not correspond to the accumulated amount in previous year because of the error of coefficient calculation.

*3 The reduced amount, which is incinerated, is reduced from the amount of other kinds.

*4 This amount Includes the amount of other kinds at Shimane Nuclear Power Station.
